Call 364-8962 to schedule an appointment.

HHW Hotline (845) 364-2444

Driving Directions

35 Firemen's Memorial Drive, Pomona, NY 10970

Take the Palisades Interstate Parkway to exit 12 and go south on Route 45. Turn right onto Pomona Road and make first right onto Firemen's Memorial Drive. The Facility is located at the end of the road on the left.

For your convenience and safety, please remain in your car at all times. Your car will be unloaded by trained staff.

Compact Fluorescent Light Bulbs (CFL's)

All fluorescent bulbs can be brought to the HHW Facility for recycling. **They are banned from disposal in the trash.**

WARNING! All fluorescent bulbs contain mercury, which is highly toxic to people and our environment. Information on the proper handling and clean-up of broken bulbs can be found online at <https://www.epa.gov/cfl/cleaning-broken-cfl>.

Electronic Waste

NYS Law bans the disposal of electronic waste in landfills and bans waste haulers from collecting it. It is the consumer's responsibility to dispose of these materials properly.

Waste electronics can be brought to the HHW Facility or participating retailers for recycling.

Have you received this sticker? Bring it to the HHW.

For more information visit <http://www.dec.ny.gov/chemical/65583.html> or send an email to ewaste@gw.dec.state.ny.us.

SHARPS ARE NOT ACCEPTED AT THE HHW FACILITY

SHARPS are needles, syringes and lancets used by residents for self medication.

For information on SHARPS disposal visit http://rocklandgov.com/files/3915/2828/9294/SHARPS_Brochure.pdf or call 364-2175.

Pharmaceutical Disposal

DO NOT FLUSH pharmaceuticals down the toilet or dispose in the garbage. They contaminate our water supply and environment.

Controlled Substance Medication Disposal

These items can be brought to the HHW Facility during the ten weekend drop-off events only (see schedule below).

Police Departments

| | | | | | |
|-----------|----------|---------|---------|---------|--------|
| Saturdays | March 6 | May 15 | July 10 | Sept 18 | Nov 13 |
| Sundays | April 11 | June 13 | Aug 15 | Oct 24 | Dec 12 |

Controlled substance medications can be brought to most local police departments and the Rockland County Sheriff's Office. Contact your local law enforcement for more information.

All drop-off sites are free and anonymous for residents.

**Controlled substance medications are any drug or therapeutic agent, commonly understood to include narcotics, with a potential for abuse or addiction, which is held under strict governmental control.*

Visit us on the Web at www.rocklandgreen.com

U.S. Flag Disposal

Flags can be turned into the HHW Facility and will be properly disposed of by the Veterans Service Agency.

What's the Concern?

Many products we use in our homes, garages, workshops and yards could be hazardous to our health and the environment if used, stored or disposed of improperly.

If handled carelessly, products such as paint, wood preservatives, cleaning products, automotive and pool chemicals, pesticides, and electronics can injure you and sanitation workers, as well as pollute our air, water and soil.

Please use and dispose of these items responsibly.

Helpful Hints...

Avoid Toxic Products..

- Use non-toxic alternatives
- Plan for the least toxic product
- Buy only what you need
- Find non-toxic alternatives on the web

Safe Storage...

- Keep in a cool, dry place; away from flame, water sources, children and pets
- Do not remove labels
- Label all secondary containers yourself

Safe Use...

- Follow label directions exactly
- Never mix products unless recommended
- Wear protective gear as directed
- Properly ventilate work area

Safe Disposal...

- Never dump waste on the ground
- Never pour waste down your drains

Safe Transportation...

- Secure containers upright in a box
- Place leaking containers inside another sealed container

Chairman's Message

On behalf of the Rockland Green board members, I would like to thank the over 29,000 residents who utilized the services of the HHW Facility in 2020. Through your participation in this program, Rockland prevented the disposal of millions of pounds of hazardous waste from entering landfills in and around New York State. Your efforts resulted in the diversion of over 923,000 pounds of electronics, 127,000 gallons of paint, 91,000 pounds of batteries and over 7,000 pounds of unwanted medications.

Hazardous wastes such as these, pose an increased threat to our drinking water and soil if not managed properly. As only 1 of 14 permanent hazardous waste facilities in NYS, it shows our ongoing dedication to minimizing our impact on the environment.

With decreasing landfill capacity in the region and rising disposal costs, Rockland Green has saved taxpayers millions of dollars with our extensive network of waste processing facilities and long-term contracts. Waste materials processed locally help minimize the cost and the negative environmental impact of transportation and disposal.

As a reminder to residents, the greatest cost savings is achieved when we all adopt waste prevention habits. Coupled with habits of reusing, recycling and composting, we can combat rising disposal costs for local taxpayers.

Recent NYS legislation has helped Rockland Green maintain its environmental protection leadership by enacting product stewardship initiatives. Newly created legislation now makes paint and pharmaceutical manufacturers responsible for funding collection and disposal programs, which aims to reduce the costly burden to local government. A variety of privately funded programs are being made available to consumers at local retail stores around Rockland County. We look forward to working locally and regionally to support more of these manufacturer-funded management programs.

Join us as we continue to find new ways to ease the burden we place on our environment and our wallets, by adopting new waste prevention behaviors into your daily routine. Stay informed and learn more by visiting our website often and connect with us on social media.

Thanks again for coming together as a community to help keep Rockland Green!

Environmentally yours,

Hon. Howard T. Phillips, Jr., Chairman

RocklandGreen HOME RECYCLING GUIDE

SCAN ME

"Growing Greener Every Day"

Please place Paper & Cardboard into the Blue Bin
and Plastic, Metal, Glass & Cartons into the Green Bin

For more information, please call 845-753-2200 or visit www.rocklandgreen.com

Corrugated Cardboard, File folders
office paper, boxes, paper bags & drink holders

Newspapers & Inserts, Envelopes, Mail,
Greeting Cards and Paper of all colors

Egg Cartons

Plastic bottles, Jugs, Laundry Baskets, Yogurt cups,
Kitchen & Laundry containers, 5-Gallon Pails

Glass Bottles & Jars

Aluminum & Steel
Cans & Foil

Cartons
(Milk, juice & food)

Tips for Great Recycling!

✓ Place shredded paper in paper bags

✓ Cardboard is flattened & broken down

✓ All containers emptied & rinsed

✓ Please do not place recyclables in bags

PLASTIC BAGS

Instead: Recycle your bags at participating grocery or retail stores

DISPOSABLE ITEMS

Instead: Throw all disposable items in the trash not in your recycling bin

HAZARDOUS & ELECTRONIC WASTE

Instead: Bring items to the Household Hazardous Waste Facility in Pomona, NY

SHARPS WASTE

Instead: Find safe & secure disposal information at www.rocklandgov.com
